

THE POWER OF ONE STORIES

ONE BIBLE STUDY GROUP

One new class was started at **Bellewood Baptist Church** to provide Bible study for two adults with special needs. This class represents the first time in their lives that Bible study has been designed specifically for them! Because of this class, eight new people enrolled in Bible study.

ONE COMMUNITY EVENT

One church, **Clyde Baptist**, opened its doors - and heart - to host a community-wide yard sale for a local resident whose house burned while she was in the hospital. Thousands of dollars were raised, scores of people connected with the church and three families began attending the church.

ONE PASSIONATE LEADER

One leader at **Wake Eden Community Baptist Church** took to heart the impact the study of God's Word can have on individuals. Within five weeks she enrolled twelve people in Bible study.

ONE COMMITMENT

One commitment by a youth leader at **Iglesia Bautista David Livingstone** has led to many lives being touched. Youth ministry events led by him and sponsored by the NY/NJ Hispanic Fellowship have seen as many as 150 students in attendance.

ONE HEART FOR THE LOST

One heart for lost people pulsates in the chest of one New Jersey pastor. The pastor of **Lighthouse of Faith** uses the *EvangeCube* to share the gospel regularly. Out of 82 recent gospel presentations, 67 individuals prayed to receive Christ.
